Item 4.01 Changes in Registrant's Certifying Accountant

On February 16, 2006, the Nature's Sunshine Products, Inc. Tax Deferred Retirement Plan (the "Plan") dismissed Gregory & Associates, LLC ("Gregory & Associates") formerly Gregory & Eldredge, LLC as its independent registered public accounting firm. The Plan engaged Tanner LC to serve as the Plan's independent registered public accounting firm, effective as of that date. The dismissal of Gregory & Associates and the engaging of Tanner LC were recommended and approved by the Nature's Sunshine Products, Inc. Tax Deferred Retirement Plan Investment Committee.

Gregory & Associates's audit report on the Plan's financial statements as of and for the year ended December 31, 2004 did not contain any adverse opinion or disclaimer of opinion, nor was the report qualified or modified as to uncertainty, audit scope or accounting principles.

Gregory & Associates was engaged as the Plan's independent registered public accounting firm on April 26, 2005. For the period from April 26, 2005 through February 16, 2006, there were no disagreements with Gregory & Associates on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Gregory & Associates's satisfaction, would have caused Gregory & Associates to make reference to the subject matter of the disagreement in connection with its audit report on the Plan's financial statements for such period, and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

The Plan has provided Gregory & Associates with a copy of the foregoing disclosures, and has requested that Gregory & Associates furnish it with a letter addressed to the

Securities and Exchange Commission (the "Commission") stating whether or not Gregory & Associates agrees with the above statements. A copy of Gregory & Associates's letter setting forth its response to this report (as required by Item 304(a)(3) of Regulation S-K) is filed as Exhibit 16.1 to this report.

For the period from May 27, 2004 until April 26, 2005, the Plan engaged Tanner LC as the Plan's independent registered public accounting firm. Tanner LC was dismissed when Gregory & Associates was engaged on April 26, 2005. Subsequent to Tanner LC's dismissal on April 26, 2005 through February 16, 2006, the Plan did not consult Tanner LC with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Plan's financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K. The Plan has provided Tanner LC with a copy of this report, and has given Tanner LC the opportunity to furnish the Plan with a letter addressed to the Commission containing any new information, clarification of the Plan's expression of its views, or the respects in which it does not agree with the statements made by the Plan in this report. Tanner LC has stated to the Plan that it agrees with the disclosure set forth in this report and has declined to furnish such a letter to the Commission.
