PART III — NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

In a Current Report on Form 8-K filed with the Commission on April 3, 2006, Nature's Sunshine Products, Inc. (the "Company") announced that on March 31, 2006 it received a letter from KPMG LLP ("KPMG") pursuant to which KPMG resigned as the Company's independent public accounting firm. These events followed the Company's earlier announcement that a Special Committee of the Company's Board of Directors was overseeing an independent investigation with respect to certain of the Company's foreign operations.

Due to the events identified in the preceding paragraph, the Company has been unable to obtain an audit of its financial statements as of December 31, 2006 and for the year then ended. As a result, the Company is not presently able to file its Annual Report on Form 10-K for the year ended December 31, 2006 (the "2006 Form 10-K").

On February 8, 2007, the Company announced that the Audit Committee of its Board of Directors had engaged Deloitte & Touche LLP ("Deloitte") to serve as the Company's independent registered public accounting firm. The Company believes the engagement of Deloitte is a significant step toward resolving the accounting and financial reporting issues that have precluded the Company from filing its 2006 Form 10-K, as well as other reports necessary to restore the Company's compliance with the requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act").

The Company presently intends to file its 2006 Form 10-K following Deloitte's issuance of a report with respect to the Company's financial statements required to be included in the 2006 Form 10-K; however, the Company does not expect that the 2006 Form 10-K will be filed before the fifteenth calendar day following the required filing date as prescribed in Rule 12b-25 of the Exchange Act. Furthermore, the Company cautions that the process of completing the procedures necessary for Deloitte to issue a report with respect to the Company's financial statements to be included in the 2006 Form 10-K will be time-consuming and will require significant resources from the Company and Deloitte. In particular, in order to issue a report on the Company's financial statements as of December 31, 2006 and for each of the three years then ended, Deloitte will be required to audit the Company's financial statements as of December 31, 2004, 2005 and 2006 and for the years then ended. Deloitte may also be required to audit the Company's financial statements as of December 31, 2002 and 2003 and for each of the years then ended. Accordingly, the Company can provide no estimate as to when Deloitte will be able to issue a report on the Company's financial statements as of December 31, 2006 and for each of the three years then ended or when the Company will be able to file the 2006 Form 10-K.

Furthermore, although the Company filed its Quarterly Report on Form 10-Q for the quarter ended September 30, 2005, the Company did not submit the unaudited financial statements presented in Part I, Item 1 of that Quarterly Report on Form 10-Q for review by its independent registered public accounting firm prior to filing.
