ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On June 25, 2025, Nature's Sunshine Products, Inc., a Utah corporation (the "Company"), entered into an underwriting agreement (the "Underwriting Agreement") with D.A. Davidson & Co. as representative of the several underwriters listed in Schedule A thereto (the "Underwriters"), and Fosun Pharma USA, Inc. (the "Selling Stockholder"), relating to an underwritten secondary public offering of 2,854,607 shares of common stock of the Company, no par value (the "Shares"), being sold by the Selling Stockholder at a public offering price of \$12.00 per share (the "Offering"). The Company will not receive any proceeds from the Offering.

The Underwriting Agreement contains customary representations, warranties, and covenants of the Company and the Selling Stockholder and also provides for customary indemnification by each of the Company, the Selling Stockholder and the Underwriters against certain liabilities. The Selling Stockholder, the Company, and the Company's directors, executive officers, and certain significant stockholders have agreed not to sell or transfer any securities of the Company held by them for a period of 90 days from June 25, 2025, subject to limited exceptions.

The Offering is made pursuant to a shelf registration statement (which includes a base prospectus) on Form S-3 (File No. 333-287882) that was filed with the Securities and Exchange Commission (the "SEC") on June 9, 2025 and became effective on June 18, 2025. The base prospectus included in the Registration Statement, is amended and supplemented by the preliminary prospectus supplement filed with the SEC on June 25, 2025, and the final prospectus supplement filed with the SEC on June 27, 2025. The Offering is expected to close on or about June 27, 2025, subject to satisfaction of customary closing conditions.

The foregoing description of the Underwriting Agreement does not purport to be complete and is subject to and qualified in its entirety by reference to the full text of the Underwriting Agreement, which is filed as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated herein by reference. A copy of the opinion of Dorsey & Whitney LLP relating to the legality of the issuance and sale of the shares in the Offering is attached as Exhibit 5.1 hereto.

Concurrent Share Repurchase

On June 24, 2025, the Company entered into a share repurchase agreement (the "Share Repurchase Agreement") with the Selling Stockholder, pursuant to which the Company agreed that it may purchase up to \$15.0 million of the shares of the Company's common stock that are subject to the Offering from the Underwriters at the public offering price as part of its previously announced share repurchase program. However, the Company has not agreed to purchase a minimum amount of shares and may determine to purchase fewer or no shares in the Offering.

The concurrent share repurchase was approved by the Company's Board of Directors and by the Audit Committee of its Board of Directors. The Company anticipates that the share repurchase, if any, would be funded from cash on-hand and funds drawn from its credit facility. The repurchased shares will be cancelled and no longer outstanding following the completion of the concurrent share repurchase.

The description and the other information in this Current Report on Form 8-K regarding the concurrent share repurchase is included in this Current Report on Form 8-K solely for informational purposes. Nothing in this Current Report on Form 8-K should be construed as an offer to sell, or the solicitation of an offer to buy, any of the Company's common stock subject to the concurrent share repurchase.

The foregoing description of the Share Repurchase Agreement does not purport to be complete and is subject to and qualified in its entirety by reference to the full text of the Share Repurchase Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K.

Forward-Looking Statements

This Current Report on Form 8-K contains forward-looking statements that are made pursuant to the safe harbor provisions within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Such forward-looking statements include, but are not limited to, statements related to the anticipated closing of the Offering and the concurrent share repurchase. Forward-looking

statements are based on management's current expectations and are subject to risks and uncertainties, many of which are beyond the Company's control, that may cause actual results or events to differ materially from those projected. These risks and uncertainties, many of which are beyond the Company's control, include the ability of the Company and the Selling Stockholder to satisfy certain conditions to closing on a timely basis or at all, as well as other risks described in the section entitled "Risk Factors" and elsewhere in the Company's Annual Report on Form 10-K filed with the SEC on March 11, 2025, and in the Company's other filings with the SEC, including, without limitation, the Company's reports on Forms 8-K and 10-Q, all of which can be obtained on the SEC website at www.sec.gov. Readers are cautioned not to place undue reliance on the forward-looking statements, which speak only as of the date on which they are made and reflect management's current estimates, projections, expectations and beliefs. The Company expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in the Company's expectations or any changes in events, conditions or circumstances on which any such statement is based, except as required by law.

The preceding sentence does not apply to statements in or omissions from any such document based upon written information furnished to the Company by the Underwriter specifically for use therein, it being understood and agreed that the only such information is that described as such in Section 7(c) hereof.

(iii) *Shelf Registration Statement.* The date of this Agreement is not more than three years subsequent to the initial effective time of the Registration Statement.

The Company is duly qualified to do business as a foreign corporation in good standing in all other jurisdictions in which its ownership or lease of property or the conduct of its business requires such qualification, except where the failure to be so qualified in good standing would not, individually or in the aggregate, result in a material adverse effect on the condition (financial or otherwise), results of operations, business, properties or prospects of the Company and its Subsidiaries, considered as one enterprise (“**Material Adverse Effect**”).

(x) *Subsidiaries.* Each subsidiary of the Company (each a “**Subsidiary**”) has been duly incorporated or formed, as applicable, and is existing and in good standing under the laws of the jurisdiction of its incorporation or formation, as applicable, with corporate or limited liability company, as applicable, power and authority to own its properties and conduct its business as described in the General Disclosure Package, and each Subsidiary is duly qualified to do business as a foreign corporation or other entity, as applicable, in good standing in all other jurisdictions in which its ownership or lease of property or the conduct of its business requires such qualification, in each case, except where the failure to be so qualified in good standing would not, individually or in the aggregate, have a Material Adverse Effect; all of the issued and outstanding capital stock or limited liability company interests of each Subsidiary of the Company have been duly authorized and validly issued and are fully paid and nonassessable; and the capital stock of, or limited liability company interests in, each Subsidiary are owned by the Company, directly or through its subsidiaries, free from liens, encumbrances and defects, other than any liens, encumbrances and defects described in the Registration Statement, the General Disclosure Package and the Final Prospectus. (xii) *No Finder’s Fee.* Except as disclosed in the General Disclosure Package, there are no contracts, agreements or understandings between the Company and any person that would give rise to a valid claim against the Company or the Underwriter for a brokerage commission, finder’s fee or other like payment in connection with this offering.

(xiii) *Registration Rights.* Except as disclosed in the General Disclosure Package, there are no contracts, agreements or understandings between the Company and any person granting such person the right to require the Company to file a registration statement under the Act with respect to any securities of the Company owned or to be owned by such person or to require the Company to include such securities in the securities registered pursuant to the Registration Statement or in any securities being registered pursuant to any other registration statement filed by the Company under the Act (collectively, “**registration rights**”), and any person to whom the Company has granted registration rights has agreed not to exercise such rights until after the expiration of the Lock-Up Period referred to in Section 4 hereof.

(xiv) *Listing.* The Shares are approved for listing on The NASDAQ Capital Market.

(xv) *Absence of Further Requirements.* No consent, approval, authorization, or order of, or filing or registration with, any person (including any governmental agency or body or any court) is required to be obtained or made by the Company for the consummation of the transactions contemplated by this Agreement in connection with the sale of the Shares, except such as have been obtained, or made and such as may be required under state securities laws or the bylaws and rules of the Financial Industry Regulatory Authority, Inc. (“**FINRA**”) and except for any such consents, approvals, authorizations, orders, filings or registrations the absence of which would not, individually or in the aggregate, have a Material Adverse Effect or materially interfere with the consummation of the transaction contemplated hereby.

(xvi) *Title to Property.* Except as disclosed in the General Disclosure Package or as would not, individually or in the aggregate, have a Material Adverse Effect, the Company and its subsidiaries have good and marketable title to all real properties and all other properties and assets owned by them, in each case free from liens, charges, encumbrances and defects that would affect the value thereof or interfere with the use made or to be made thereof by them. Except as disclosed in the General Disclosure Package, the Company and its subsidiaries hold any leased real or personal property under valid and enforceable leases with no terms or provisions that would materially interfere with the use made or to be made thereof by them.

(xvii) *Absence of Defaults and Conflicts Resulting from Transaction.* The execution, delivery and performance of this Agreement and the sale of the Shares will not result in a breach or violation of any of the terms and provisions of, or constitute a default or a Debt Repayment Triggering Event (as defined below) under, or result in the imposition of any lien, charge or encumbrance upon any property or assets of the Company or any of its subsidiaries pursuant to, (i) the charter or bylaws of the Company or any of its Subsidiaries, (ii) any statute, rule, regulation or order of any governmental agency or body or any court, domestic or foreign, having jurisdiction over the Company or any of its Subsidiaries or any of their properties, or (iii) any agreement or instrument to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound or to which any of the properties of the Company or any of its Subsidiaries is subject, except, with respect to each of clauses (ii) (but solely with respect to statutes, rules, regulations and orders excluding federal securities laws) and (iii), such breaches, violations, defaults, Debt Repayment Triggering Events, liens, charges or encumbrances that would not, individually or in the aggregate, have a Material Adverse Effect; a “**Debt Repayment Triggering Event**” means any event or condition that gives, or with the giving of notice or lapse of time would give, the holder of any note, debenture, or other evidence of indebtedness (or any person acting on such holder’s behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Company or any of its subsidiaries.

(xviii) *Absence of Existing Defaults and Conflicts.* Neither the Company nor any of the Subsidiaries is (1) in violation of its certificate or articles of incorporation or bylaws (or other organization documents) or (2) in violation of any law, ordinance, administrative or governmental rule or regulation applicable to the Company or any of the Subsidiaries, or (3) in violation of any decree of any court or governmental agency or body having jurisdiction over the Company or any of the Subsidiaries, or (4) in default in the performance of any obligation, agreement or condition contained in any bond, debenture, note or any other evidence of indebtedness or in any agreement, indenture, lease or other instrument to which the Company or any of the Subsidiaries is a party or by which any of them or any of their respective properties may be bound, except, in the case of clauses (2), (3) and (4), where any such violation or default, individually or in the aggregate, would not have a Material Adverse Effect on the general affairs, business, prospects, management, financial position, stockholders’ equity or results of operations of the Company and the Subsidiaries, considered as one enterprise.

(xix) *Authorization of Agreement.* This Agreement has been duly authorized, executed and delivered by the Company.

(xx) *Possession of Licenses and Permits.* The Company and the Subsidiaries (i) possess all permits, licenses, approvals, consents and other authorizations (collectively, “**Permits**”) issued by the appropriate federal, state, local or foreign regulatory agencies or bodies necessary to conduct the businesses now operated by them and as disclosed in the Registration Statement, the Pricing Prospectus or the Prospectus and (ii) are in compliance with the terms and conditions of all such Permits and all of the Permits are valid and in full force and effect, except, in each case, where the failure so to comply or where the invalidity of such Permits or the failure of such Permits to be in full force and effect, individually or in the aggregate, would not have a Material Adverse Effect on the general affairs, business, prospects, management, financial position, stockholders’ equity or results of operations of the Company and the Subsidiaries, considered as one enterprise; and neither the Company nor any Subsidiary has received any notice of proceedings relating to the revocation or material modification of any such Permits.

(xxi) *Absence of Labor Dispute.* No material labor dispute with the employees of the Company or the Subsidiaries exists, or, to the knowledge of the Company, is imminent. The Company is not aware of any existing or imminent labor disturbance by the employees of any of its or any Subsidiary's principal suppliers, manufacturers, customers or contractors, which, individually or in the aggregate, may reasonably be expected to result in a Material Adverse Effect on the general affairs, business, prospects, management, financial position, stockholders' equity or results of operations of the Company and the Subsidiaries, considered as one enterprise.

(xxii) *Possession of Intellectual Property.* The Company and the Subsidiaries own or possess, or can acquire on reasonable terms, all licenses, inventions, copyrights, know-how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures), trademarks, service marks and trade names, patents and patent rights (collectively "**Intellectual Property**") material to carrying on their businesses as described in the Registration Statement, the Pricing Prospectus or the Prospectus, and neither the Company nor any Subsidiary has received any correspondence relating to any Intellectual Property or notice of infringement of or conflict with asserted rights of others with respect to any Intellectual Property which would render any Intellectual Property invalid or inadequate to protect the interest of the Company and the Subsidiaries and which infringement or conflict (if the subject of any unfavorable decision, ruling or finding) or invalidity or inadequacy, individually or in the aggregate, would have or may reasonably be expected to have a Material Adverse Effect on the general affairs, business, prospects, management, financial position, stockholders' equity or results of operations of the Company and the Subsidiaries, considered as one enterprise.

(xxiii) *Environmental Laws.* Neither the Company nor any of the Subsidiaries is in violation of any statute or any rule, regulation, decision or order of any governmental agency or body or any court, domestic or foreign, relating to the use, production, disposal or release of hazardous or toxic substances or relating to the protection or restoration of the environment or human exposure to hazardous or toxic substances (collectively, "**environmental laws**"), owns or operates any real property contaminated with any substance that is subject to any environmental laws, is liable for any off-site disposal or contamination pursuant to any environmental laws, or is subject to any claim relating to any environmental laws, which violation, contamination, liability or claim, individually or in the aggregate, would have a material adverse effect on the general affairs, business, prospects, management, financial position, stockholders' equity or results of operations of the Company and the Subsidiaries, considered as one enterprise; and the Company is not aware of any pending investigation which might lead to such a claim.

(xxiv) There are no statutes, regulations, documents or contracts of a character required to be described in the Registration Statement, the General Disclosure Package or the Final Prospectus or to be filed as an exhibit to the Registration Statement which are not described or filed as required. The agreements and documents described in the Registration Statement, the General Disclosure Package or the Final Prospectus conform in all material respects to the descriptions thereof contained therein and there are no agreements or other documents required by the Securities Act and the Regulations to be described therein or to be filed with the Commission as exhibits to the Registration Statement that have not been so described or filed. Each agreement or other instrument (however characterized or described) to which the Company is a party or by which it is or may be bound or affected and (a) that is referred to in the Registration Statement, the General Disclosure Package or the Final Prospectus, or (b) is material to the Company's business, has been duly authorized and validly executed by the Company, is in full force and effect in all material respects and is enforceable against the Company and, to the Company's knowledge, the other parties thereto, in accordance with its terms, except (1) as such enforceability may be limited by bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally, (2) as enforceability of any indemnification or contribution provision may be limited under the federal or state securities laws, and (3) that the remedy of specific performance and injunctive and other forms of equitable relief may be subject to the equitable defenses and to the discretion of the court before which any proceeding therefore may be brought.

None of such agreements or instruments has been assigned by the Company, and neither the Company nor, to the Company's knowledge, any other party is in default thereunder and, to the Company's knowledge, no event has occurred that, with the lapse of time or the giving of notice, or both, would constitute a default thereunder. Performance by the Company of the material provisions of such agreements or instruments will not result in a violation of any existing applicable law, rule, regulation, judgment, order or decree of any governmental agency or court, domestic or foreign, having jurisdiction over the Company or any of its assets or businesses, including, without limitation, those relating to environmental laws and regulations.

(xxv) *Accurate Disclosure.* The statements in the General Disclosure Package and the Final Prospectus under the headings "Selling Stockholder," "Description of Capital Stock" and "Underwriting," insofar as such statements summarize legal matters, agreements, documents or proceedings discussed therein, are accurate and fair summaries of such legal matters, agreements, documents or proceedings and present the information required to be shown.

(xxvi) *Absence of Manipulation.* The Company has not taken, directly or indirectly, any action that is designed to or that has constituted or that would reasonably be expected to cause or result in the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Shares.

(xxvii) *Statistical and Market-Related Data.* Any third-party statistical and market-related data included or incorporated by reference in the Registration Statement, a Statutory Prospectus or the General Disclosure Package are based on or derived from sources that the Company believes to be reliable and accurate.

(h) *Payment of Expenses.*

(i) The Company agrees with the Underwriter and the Selling Stockholder that the Company will pay all expenses incident to the performance of the obligations of the Company, including but not limited to (i) any filing fees and other expenses (including the reasonable fees and disbursements of counsel to the Representative, which, if the Shares are “covered securities” for purposes of Section 18 of the Act upon completion of the sale thereof, shall not exceed \$10,000) incurred in connection with qualification of the Shares for sale under the laws of such jurisdictions as the Underwriter designates and the preparation and printing of memoranda relating thereto, costs and expenses related to the review by FINRA of the Shares (including filing fees and the reasonable fees and expenses of counsel for the Representative relating to such review not to exceed \$20,000), (ii) the fees, disbursements and expenses of the Company’s counsel and fees of one counsel to the Selling Stockholder in an amount not to exceed \$20,000, (iii) costs and expenses relating to investor presentations or any “road show” in connection with the offering and sale of the Shares including, without limitation, any travel expenses of the Company’s officers and employees and any other expenses of the Company, provided that the costs reasonably incurred by the Company and the Underwriter to charter any aircraft in connection with the “road show” shall be shared equally between the Company and the Underwriter, (iv) fees and expenses incident to listing the Shares on The NASDAQ Capital Market and other national and foreign exchanges, and (v) expenses incurred in distributing preliminary prospectuses and the Final Prospectus (including any amendments and supplements thereto) to the Underwriter and for expenses incurred for preparing, printing and distributing any Issuer Free Writing Prospectuses to investors or prospective investors.

(ii) The Selling Stockholder will pay all transfer taxes on the sale by the Selling Stockholder of the Shares to the Underwriter, if any, provided, however, that the Selling Stockholder shall not be required to pay any expenses specifically enumerated in Section 4(h)(i) to be paid by the Company. The Selling Stockholder further agrees with the Underwriter to reimburse the Underwriter for all out-of-pocket costs and expenses reasonably incurred by the Underwriter in connection with the offering of the Shares under this Agreement; provided, however, that the Selling Stockholder shall not be responsible for the fees and expenses of the Underwriter’s legal counsel. Notwithstanding anything to the contrary contained herein, in no event shall the expenses described in this Section 4(h)(ii) exceed \$10,000 without the prior written consent of the Selling Stockholder.

(i) *Absence of Manipulation.* The Company and the Selling Stockholder will not take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in, stabilization or manipulation of the price of any securities of the Company to facilitate the sale or resale of the Shares.

(j) *Restriction on Sale of Securities by Company.* (A) For the period commencing on the date hereof and continuing for 90 days after the date hereof or such earlier date that the Representative consents to in writing (the “**Lock-Up Period**”), the Company will not, directly or indirectly, take any of the following actions with respect to any class of its common equity or any securities convertible into or exchangeable or exercisable for any class of its common equity (“**Lock-Up Securities**”): (i) offer, sell, issue, contract to sell, pledge or otherwise dispose of Lock-Up Securities, (ii) offer, sell, issue, contract to sell, contract to purchase or grant any option, right or warrant to purchase Lock-Up Securities, (iii) enter into any swap, hedge or any other agreement that transfers, in whole or in part, the economic consequences of ownership of Lock-Up Securities, (iv) establish or increase a put equivalent position or liquidate or decrease a call equivalent position in Lock-Up Securities within the meaning of Section 16 of the Exchange Act or (v) file with the Commission a registration statement under the Act relating to Lock-Up Securities, or publicly disclose the intention to take any such action, without the prior written consent of the Representative, except, in each case, (A) the sale of the Shares, (B) issuances of Lock-Up Securities pursuant to the conversion or exchange of convertible or exchangeable

securities, or the exercise of warrants or options, or the vesting and settlement of the restricted stock units, in each case outstanding on the date hereof as disclosed in the Registration Statement, the General Disclosure Package and the Prospectus, (C) grants of employee stock options, restricted stock units or other equity-based compensation authorized for issuance as of the date hereof, in each case pursuant to the terms of a plan in effect on the date hereof and disclosed in the Registration Statement, the General Disclosure Package and the Final Prospectus, or the issuance of Lock-Up Securities pursuant to the exercise of such options or the vesting and settlement of such restricted stock units or equity-based compensation issued pursuant to this clause (C) and (D) the filing of a registration statement with the Commission on Form S-8 to register the offer and sale of securities to be issued pursuant to any equity compensation plan in effect on the applicable Closing Date and disclosed in the Registration Statement, the General Disclosure Package and the Final Prospectus. The initial Lock-Up Period will commence on the date hereof and continue for 90 days after the date hereof or such earlier date that the Representative consents to in writing.

(k) *Exchange Listing.* The Company agrees to use its best efforts to maintain the listing of the Shares on The NASDAQ Stock Market.

5. *Free Writing Prospectuses.* The Company and the Selling Stockholder represents and agree that, unless they obtain the prior consent of the Representative, and the Representative represents and agrees that, unless it obtains the prior consent of the Company, it has not made and will not make any offer relating to the Shares that would constitute an Issuer Free Writing Prospectus, or that would otherwise constitute a “free writing prospectus,” as defined in Rule 405, required to be filed with the Commission. Any such free writing prospectus consented to by the Company and the Representative is hereinafter referred to as a “**Permitted Free Writing Prospectus**.” The Company represents that it has treated and agrees that it will treat each Permitted Free Writing Prospectus as an “issuer free writing prospectus,” as defined in Rule 433, and has complied and will comply with the requirements of Rules 164 and 433 applicable to any Permitted Free Writing Prospectus, including timely Commission filing where required, legending and record keeping.

6. *Conditions of the Obligations of the Underwriter.* The obligation of the Underwriter to purchase and pay for the Shares on each Closing Date are subject to the performance by the Company and the Selling Stockholder of their obligations hereunder and to the following additional conditions:

(a) *Filing of Prospectus.* The Final Prospectus shall have been filed with the Commission in accordance with the Rules and Regulations and Section 4(a) hereof. No stop order suspending the effectiveness of the Registration Statement or of any part thereof shall have been issued and no proceedings for that purpose shall have been instituted or, to the knowledge of the Company, the Selling Stockholder or the Underwriter, shall be contemplated by the Commission.

(b) *Representations and Warranties.* The representations and warranties of the Company and the Selling Stockholder herein are true and correct (as though made on such Closing Date), and the Company and the Selling Stockholder shall have complied with all agreements and all conditions to be performed or satisfied hereunder at or prior to such Closing Date.

(c) *No Downgrade.* Subsequent to the execution and delivery of this Agreement and prior to such Closing Date there shall not have occurred any downgrading, nor shall any notice have been given of (i) any downgrading, (ii) any intended or potential downgrading or (iii) any review or possible change that does not indicate an improvement, in the rating accorded any securities of or guaranteed by the Company or any Subsidiary by any “nationally recognized statistical rating organization”, as such term is defined for purposes of Rule 436(g)(2) under the Securities Act.

(d) *No Material Adverse Change.* (i) Neither the Company nor any Subsidiary shall have sustained since the date of the latest audited financial statements included or incorporated by reference in the Registration Statement and the General Disclosure Package any material loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, otherwise than as set forth or contemplated in the Pricing Prospectus, and (ii) since the respective dates as of which information is given, (1) there shall not have been any material change in the capital stock or long-term debt of the Company or any Subsidiary or (2) there shall not have been any material adverse change, or any development that would reasonably be expected to result

in a prospective material adverse change, in or affecting the general affairs, business, prospects, management, financial position, stockholders' equity or results of operations of the Company and the Subsidiaries, considered as one enterprise, the effect of which, in any such case described in clause (i) or (ii), is in the judgment of the Representative so material and adverse as to make it impracticable or inadvisable to proceed with the public offering or the delivery of the Shares being delivered at such Closing Date on the terms and in the manner contemplated in the Registration Statement or the Final Prospectus.

(e) *Company Officer Certificates.* The Representative shall have received on and as of such Closing Date a certificate of the Chief Executive Officer of the Company to the effect (1) set forth in Sections 6(b) (with respect to the respective representations, warranties, agreements and conditions of the Company) and 6(c), (2) that none of the situations set forth in clause (i) or (ii) of Section 6(d) shall have occurred and (3) that no stop order suspending the effectiveness of the Registration Statement has been issued and to the knowledge of the Company, no proceedings for that purpose have been instituted or are pending or contemplated by the Commission.

(f) *Selling Stockholder Certificates.* The Representative shall have received a certificate, dated as of such Closing Date, of an officer of the Selling Stockholder (or an officer of the stockholder of the Selling Stockholder), in his or her capacity as an officer of the Selling Stockholder (or stockholder of the Selling Stockholder), in which such officer shall state that: the representations and warranties of the Selling Stockholder in this Agreement are true and correct as of such Closing Date; and the Selling Stockholder has complied with all agreements and satisfied all conditions on its part to be performed or satisfied hereunder at or prior to such Closing Date.

(g) *Opinion of Counsel for Company.* On such Closing Date, Dorsey & Whitney LLP, counsel for the Company, shall have furnished to the Representative their favorable written opinion and negative assurance letter, dated as of such Closing Date in form and substance satisfactory to counsel for the Underwriter.

(h) *Opinion of Counsel for the Selling Stockholder.* On such Closing Date, Baker, Donelson, Bearman, Caldwell & Berkowitz, PC, counsel for the Selling Stockholder shall have furnished to the Representative their favorable written opinion, dated as of such Closing Date in form and substance satisfactory to counsel for the Underwriter, to the effect set forth in Exhibit A hereto.

(i) *Accountants' Comfort Letters.* The Representative shall have received letters, dated respectively, the date hereof and as of such Closing Date of, Deloitte & Touche LLP, in form and substance satisfactory to the Representative, containing statements and information of the type customarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained in or incorporated by reference into the Registration Statement, the General Disclosure Package and the Final Prospectus.

(j) *Negative Assurance Letter of Counsel for Underwriter.* The Representative shall have received from Paul Hastings LLP, counsel for the Underwriter, a negative assurance letter, dated as of such Closing Date, in form and substance reasonably satisfactory to the Representative.

(k) *Form W-9.* The Selling Stockholder will deliver to the Representative on or before the date hereof a properly completed and executed U.S. Treasury Department Internal Revenue Service Form W-9 (or other applicable form or statement specified by Treasury Department regulations in lieu thereof), establishing a complete exemption from United States backup withholding.

(l) *No Objection.* FINRA shall not have raised any objection with respect to the fairness and reasonableness of the underwriting terms and arrangements relating to the sale of the Shares.

(m) *Lock-Up Agreements.* The Representative shall have received "lock-up" agreements, each substantially in the form of Exhibit B hereto, from the Selling Stockholder and each of the Company's Directors and Named Executive Officers (as such term is used in Item 402 of Regulation S-K under the Act), and such agreements shall be in full force and effect on such Closing Date.

(n) *Additional Requests.* On or prior to such Closing Date the Company and the Selling Stockholder shall have furnished to the Representative such further information, certificates and documents as the Representative shall reasonably request.

(o) *Adverse Conditions.* On or after the Applicable Time there shall not have occurred any of the following: (i) a suspension or material limitation in trading in securities generally on the NASDAQ Global Market; (ii) a suspension or material limitation in trading in the Company's securities on the NASDAQ Capital Market; (iii) a general moratorium on commercial banking activities declared by any of Federal or New York State authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States; (iv) the outbreak or escalation of hostilities involving the United States or the declaration by the United States of a national emergency or war or (v) the occurrence of any other calamity or crisis or any change in financial, political or economic conditions in the United States or elsewhere, if the effect of any such event specified in clause (iv) or (v) in the judgment of the Representative makes it impracticable or inadvisable to proceed with the offering or the delivery of the Shares being delivered at such Closing Date.

If any condition specified in this Section 6 shall not have been fulfilled when and as required to be fulfilled, this Agreement may be terminated, subject to the provisions of Section 9, by the Representative by notice to the Company and Selling Stockholder at any time at or prior to such Closing Date, as the case may be, and such termination shall be without liability of any party to any other party, except as provided in Section 9.

7. Indemnification and Contribution.

(a) *Indemnification of Underwriter by Company.* The Company will indemnify and hold harmless the Underwriter and the Selling Stockholder and each of their respective partners, members, directors, officers, employees, agents, affiliates and each person, if any, who controls the Underwriter or the Selling Stockholder within the meaning of Section 15 of the Act or Section 20 of the Exchange Act (each, an "**Indemnified Party**"), against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Party may become subject, under the Act, the Exchange Act, other Federal or state statutory law or regulation or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) (i) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement at any time, or arise out of or are based upon the omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading or (ii) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any Statutory Prospectus at any time, the Final Prospectus or any Issuer Free Writing Prospectus, or arise out of or are based upon the omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and will reimburse each Indemnified Party for any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating or defending against any loss, claim, damage, liability, action, litigation, investigation or proceeding whatsoever (whether or not such Indemnified Party is a party thereto), whether threatened or commenced, and in connection with the enforcement of this provision with respect to any of the above as such expenses are incurred; provided, however, that (x) the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement in or omission or alleged omission from any of such documents in reliance upon and in conformity with written information furnished to the Company by the Underwriter specifically for use therein, it being understood and agreed that the only such information furnished by the Underwriter consists of the information described as such in subsection (c) below; and (y) the Company will not be liable, to any Selling Stockholder, or to any partner, member, director, officer, employee, agent or affiliate of any Selling Stockholder, or to any person, if any, who controls any Selling Stockholder within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any Selling Stockholder Information (it being understood, for the avoidance of doubt, that this clause (y) (i) shall in no event affect any liability the Company may have to the Underwriter, or any partner, member, director, officer, employee, agent, affiliate of the Underwriter, or any person, if any, who controls such Underwriter within the meaning of Section 15 of the Act or Section 20 of the Exchange Act and (ii) is an agreement solely between the Company and any Selling Stockholder and the other parties described in this clause (y) and the Underwriter shall have no responsibility in connection with any dispute between the Company, any Selling Stockholder and any other party described in this clause (y) with respect to an agreement solely between the Company and any Selling Stockholder and the other parties described in this clause (y)).

(b) *Indemnification of Underwriter by Selling Stockholder.* The Selling Stockholder will indemnify and hold harmless the Underwriter and each Indemnified Party of the Underwriter against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Party may become subject, under the Act, the Exchange Act, other Federal or state statutory law or regulation or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) (i) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any part of the Registration Statement at any time, or arise out of or are based upon the omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein, not misleading or (ii) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any Statutory Prospectus as of any time, the Final Prospectus or any Issuer Free Writing Prospectus, or arise out of or are based upon the omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and will reimburse each Indemnified Party for any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating or defending against any loss, claim, damage, liability, action, litigation, investigation or proceeding whatsoever (whether or not such Indemnified Party is a party thereto), whether threatened or commenced, and in connection with the enforcement of this provision with respect to the above as such expenses are incurred; provided, however, that the foregoing indemnity shall only apply to the extent that any loss, claim, damage, liability or expense arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission that is based upon any Selling Stockholder Information; provided further, that the aggregate liability of the Selling Stockholder pursuant to this subsection 7(b) shall not exceed the net proceeds (after deducting underwriting discounts and commissions, but without deducting expenses of the Company or the Selling Stockholder) received by the Selling Stockholder from the sale of the Shares sold by the Selling Stockholder hereunder (the “**Selling Stockholder Net Proceeds**”).

(c) *Indemnification of Company and Selling Stockholder.* The Underwriter will indemnify and hold harmless the Company, each of its directors and each of its officers who signs the Registration Statement and each person, if any, who controls the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act and the Selling Stockholder and each Indemnified Party of the Selling Stockholder (each, an “**Underwriter Indemnified Party**”), against any losses, claims, damages or liabilities to which such Underwriter Indemnified Party may become subject, under the Act, the Exchange Act, other Federal or state statutory law or regulation or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any part of the Registration Statement at any time, any Statutory Prospectus as of any time, the Final Prospectus, or any Issuer Free Writing Prospectus, or arise out of or are based upon the omission or the alleged omission of a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by the Underwriter specifically for use therein, and will reimburse any legal or other expenses reasonably incurred by such Underwriter Indemnified Party in connection with investigating or defending against any such loss, claim, damage, liability, action, litigation, investigation or proceeding whatsoever (whether or not such Underwriter Indemnified Party is a party thereto), whether threatened or commenced, based upon any such untrue statement or omission, or any such alleged untrue statement or omission as such expenses are incurred, it being understood and agreed that the only such information furnished by the Underwriter consists of the following information in the Final Prospectus furnished on behalf of the Underwriter: first paragraph under the subheading “—Commissions and Discounts” and the first, second, third and fourth paragraphs under the subheading “—Price Stabilization, Short Positions and Penalty Bids” under the caption “Underwriting”.

(d) *Actions Against Parties; Notification.* Promptly after receipt by an indemnified party under this Section of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party under subsection (a), (b) or (c) above, notify the indemnifying party of the commencement thereof; but the failure to notify the indemnifying party shall not relieve it from any liability that it may have under subsection (a), (b) or (c) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided further that the failure to notify the indemnifying party shall not relieve it from any liability that it may have to an indemnified party otherwise than under subsection (a), (b) or (c) above. In case any such action is brought against any indemnified party and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party under this Section for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation; provided, however, that if such indemnified party shall have reasonably concluded that there may be defenses available to it that are different from, additional to or in conflict with those available to such indemnifying party, then the indemnifying party shall not have the right to direct the defense of such action on behalf of the indemnified party and such legal or other expenses reasonably incurred by such indemnified party shall be borne by such indemnifying party and paid as incurred (except that the indemnifying party shall not be liable for the expenses of more than one separate counsel (in addition to any local counsel) in any one action or series of related actions in the same jurisdiction representing the indemnified parties who are parties to or the subject of such actions). No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such settlement (i) includes an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an indemnified party.

(e) *Contribution.* If the indemnification provided for in this Section 7 is unavailable or insufficient to hold harmless an indemnified party under subsection (a), (b) or (c) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in subsection (a), (b) or (c) above (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Selling Stockholder on the one hand and the Underwriter on the other from the offering of the Shares or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company and the Selling Stockholder on the one hand and the Underwriter on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities as well as any other relevant equitable considerations. The relative benefits received by the Company and the Selling Stockholder on the one hand and the Underwriter on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company and the Selling Stockholder bear to the total underwriting discounts and commissions received by the Underwriter. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company, the Selling Stockholder or the Underwriter and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this subsection (e) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this subsection (e). Notwithstanding the provisions of this subsection (e), the Underwriter shall not be required to contribute any amount in excess of the amount by which the total price at which the Shares underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which the Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. Notwithstanding anything herein to the contrary, in no event shall the liability of any Selling Stockholder to provide contribution pursuant to this subsection (e) exceed an amount equal to the Selling Stockholder's Selling Stockholder Net Proceeds. No person guilty of fraudulent

misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Company, the Selling Stockholder and the Underwriter agree that it would not be just and equitable if contribution pursuant to this subsection (c) were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in this subsection (e).

8. *Default of Underwriter.* If the Underwriter defaults in their obligations to purchase Shares hereunder on an applicable Closing Date and the aggregate number of Shares that the Underwriter agreed but failed to purchase exceeds 10% of the total number of Shares that the Underwriter is obligated to purchase on the applicable Closing Date, and arrangements satisfactory to the Company and the Selling Stockholder for the purchase of such Shares by other persons are not made within 36 hours after such default, this Agreement will terminate without liability on the part of the Company or the Selling Stockholder, except as provided in Section 9 hereof. As used in this Agreement, the term "Underwriter" includes any person substituted for an Underwriter under this Section. Nothing herein will relieve a defaulting Underwriter from liability for its default.

9. *Survival of Certain Representations and Obligations.* The respective indemnities, agreements, representations, warranties and other statements of the Selling Stockholder, the Company or their respective officers and of the Underwriter set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation, or statement as to the results thereof, made by or on behalf of the Underwriter, any Selling Stockholder, the Company or any of their respective representatives, officers or directors or any controlling person, and will survive delivery of and payment for the Shares. If the purchase of the Shares by the Underwriter is not consummated for any reason other than solely because of the termination of this Agreement pursuant to Section 8 hereof, the Company and the Selling Stockholder agree that the Company will reimburse the Underwriter for all out-of-pocket expenses (including reasonably documented fees and disbursements of counsel) reasonably incurred by them in connection with the offering of the Shares, and the respective obligations of the Company, the Selling Stockholder and the Underwriter pursuant to Sections 4(h) and 7 hereof shall remain in effect. In addition, if any Shares have been purchased hereunder, the representations and warranties in Section 1 and all obligations under Sections 4 and 7 shall also remain in effect.

10. *Notices.* All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given upon receipt thereof by the recipient if mailed or transmitted by any standard form of telecommunication. 11. *Successors.* This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers, directors, partners, members, employees, agents, affiliates and controlling persons referred to in Section 7 hereof, and no other person will have any right or obligation hereunder.

12. *Counterparts.* This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same Agreement.

13. *Absence of Fiduciary Relationship.* The Company and the Selling Stockholder acknowledge and agree that:

(a) *No Other Relationship.* The Underwriter has been retained solely to act as underwriter in connection with the sale of the Shares and that no fiduciary, advisory or agency relationship between the Company or the Selling Stockholder, on the one hand, and the Underwriter, on the other hand, has been created in respect of any of the transactions contemplated by this Agreement or the Final Prospectus, irrespective of whether the Underwriter has advised or is advising the Company or the Selling Stockholder on other matters;

(b) *Arms' Length Negotiations.* The price of the Shares set forth in this Agreement was established by the Company and the Selling Stockholder following discussions and arms-length negotiations with the Underwriter, and the Company and the Selling Stockholder are capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated by this Agreement;

(c) *Absence of Obligation to Disclose.* The Company and the Selling Stockholder have been advised that the Underwriter and its respective affiliates are engaged in a broad range of transactions which may involve interests that differ from those of the Company or the Selling Stockholder and that the Underwriter has no obligation to disclose such interests and transactions to the Company or the Selling Stockholder by virtue of any fiduciary, advisory or agency relationship; and

(d) *Waiver.* The Company and the Selling Stockholder waive, to the fullest extent permitted by law, any claims they may have against the Underwriter for breach of fiduciary duty or alleged breach of fiduciary duty and agree that the Underwriter shall have no liability (whether direct or indirect) to the Company or the Selling Stockholder in respect of such a fiduciary duty claim or to any person asserting a fiduciary duty claim on behalf of or in right of the Company, including stockholders, employees or creditors of the Company.

14. *Trial by Jury.* Each of the Company (on its behalf and, to the extent permitted by applicable law, on behalf of its stockholders and affiliates), the Selling Stockholder (on its behalf and, to the extent permitted by applicable law, on behalf of its equity holders and affiliates) and the Underwriter hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

15. *Applicable Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

The Company and the Selling Stockholder hereby submit to the non-exclusive jurisdiction of the Federal and state courts in the Borough of Manhattan in The City of New York in any suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby. The Company and the Selling Stockholder irrevocably and unconditionally waive any objection to the laying of venue of any suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby in Federal and state courts in the Borough of Manhattan in The City of New York and irrevocably and unconditionally waive and agree not to plead or claim in any such court that any such suit or proceeding in any such court has been brought in an inconvenient forum.
